

Cleaning Instructions

For the upholstery of your new Hill Table or Chair.

Standard Upholstery

Normal Care and Cleaning

Remove ordinary dirt and smudges with a mild soap and water solution and a clean soft cloth or towel. Dry with a soft lint-free cloth or towel.

Hill Laboratories also offers two excellent products, both available online at Shop.HillLabs.com:

- Hill Leather and Vinyl Cleaner (available in 4 packs)
- Protex Disinfectant Spray (available in 4 packs and wipes)

For more difficult stains, use one of the following recommended non-abrasive cleaners with a soft cloth or damp sponge:

- Formula 409 All-Purpose Cleaner
- Fantastik Spray Cleaner
- A 10% diluted solution of household bleach (sodium hypochlorite) can also be used (1:9 bleach to water ratio). Following cleaning with bleach, rinse the cleaned area with fresh water and then dry with a clean, lint-free cloth.

Caution! Never use abrasive powder, steel wool, industrial strength or solvent cleaners.

Finesse Upholstery

Normal Care and Cleaning

Remove most ordinary smudges and dirt with a mild soap (like Joy, Dove or Ivory dishwashing liquids) and water solution and a clean soft cloth or towel. Dry with a soft lint-free cloth or towel.

Hill Laboratories also offers two excellent products, both available online at Shop.HillLabs.com:

- Hill Leather and Vinyl Cleaner (available in 4 packs)
- Protex Disinfectant Spray (available in 4 packs and wipes)

For more difficult stains like oil, grease, crayon, lipstick, shoe or furniture polish

Use a mild petroleum solvent such as naphtha (lighter fluid) or mineral spirits (paint thinner). Lightly wipe the stain with a clean cloth which has been moistened with solvent. Blot the area and allow to dry.

For Ink:

Use one part Wisk detergent and one part rubbing alcohol. Dab lightly with a cloth which has been moistened with the solution—DO NOT RUB! As the ink loosens, blot the area with a dry cloth. Rinse with a cloth dampened in clean water and dry with a soft cloth.

Caution! Never use rubbing alcohol on Finesse except in the limited mixture described above.
